

Buffalo Trace Distillery Releases One of a Kind Millennium Barrel Bottling's!

PARTY LIKE ITS 1999!!

On December 31, 1999, the dawn of the century's turn, one barrel of Buffalo Trace Kentucky Straight Bourbon Whiskey was rolled into famous Warehouse "V", the world's smallest bonded aging warehouse. This one-of-a-kind Millennium Barrel yielded only 174 bottles, each bottled by hand and individually numbered. But in addition to its finely aged smoothness, each bottle was also destined to lend its value to benefit charitable organizations, making it a *truly generous spirit*.

Karen Ann Quinlan Hospice has been chosen as one of the 174, and the bottle will be auctioned at the Friends of Hospice 27th Wine & Cheese Festival .
